Lane Avenue at CSX Railroad near Beaver Street (U.S. 90) to see Emergency Closure Tomorrow

JACKSONVILLE, Fla. – CSX Transportation has notified the Florida Department of Transportation about a necessary closure at the intersection of Lane Avenue and CSX Railroad to take place from 8 a.m. to 6 p.m. on Tuesday, May 7.

The railroad crossing is located between Beaver Street (U.S. 90) and Highway Avenue.

CSX Transportation crews will implement a full detour of Lane Avenue at Beaver Street (U.S. 90) to perform emergency repairs to the driving surface.

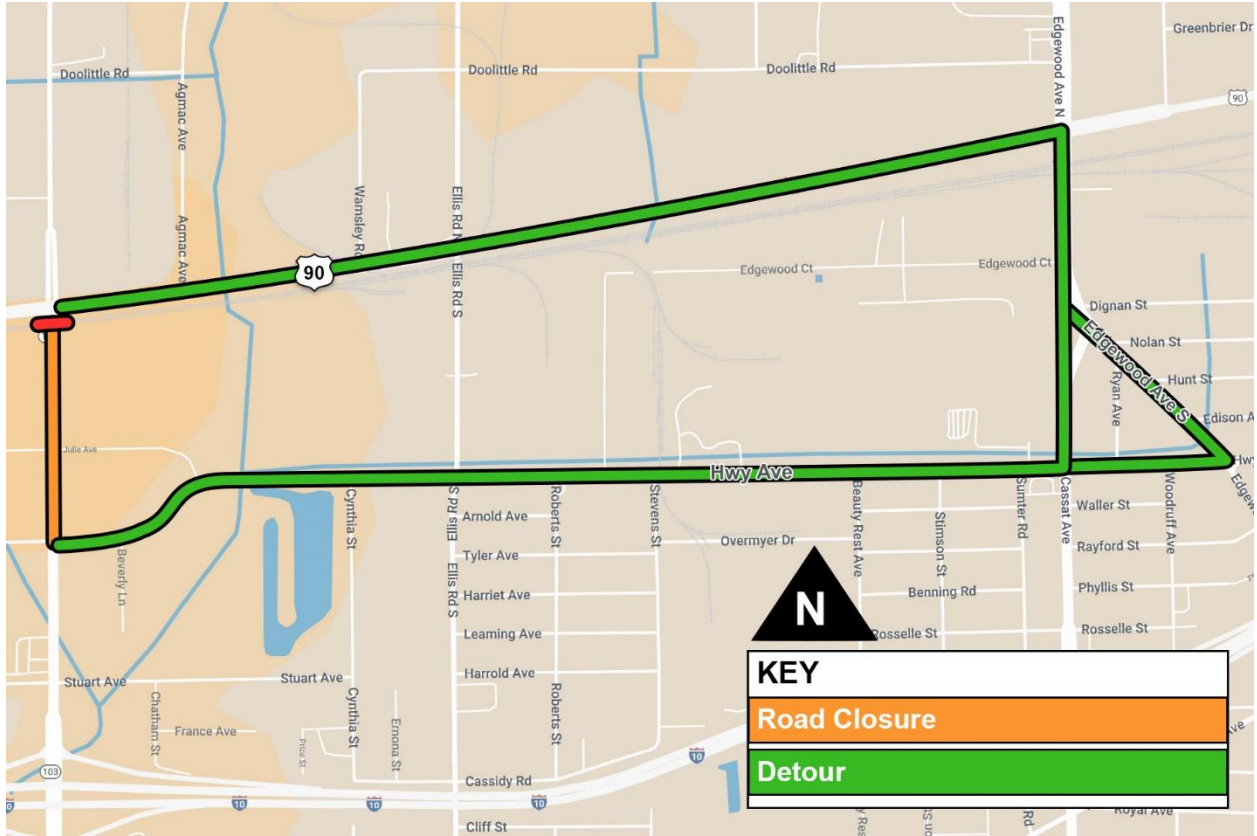

Southbound Lane Avenue:

Motorists, pedestrians and bicyclists seeking to travel south on Lane Avenue will be detoured east on Beaver Street (U.S. 90), turn south on Edgewood Avenue South and turn west on Highway Avenue where they will continue to their destination.

Northbound Lane Avenue:

Motorists, pedestrians and bicyclists seeking to travel north on Lane Avenue will be detoured west on Highway Avenue, turn north on Edgewood Avenue South and turn west on Beaver Street (U.S. 90) where they will continue to their destination.

Detour Map:

Motorists, pedestrians and bicyclists are advised to plan their routes accordingly and allow extra travel time.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](#) on X (formerly Twitter), at [MyFDOTNEFL](#) on Facebook or by visiting [nflroads.com](#).

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
