C Street Bridge Replacement

Public Hearing

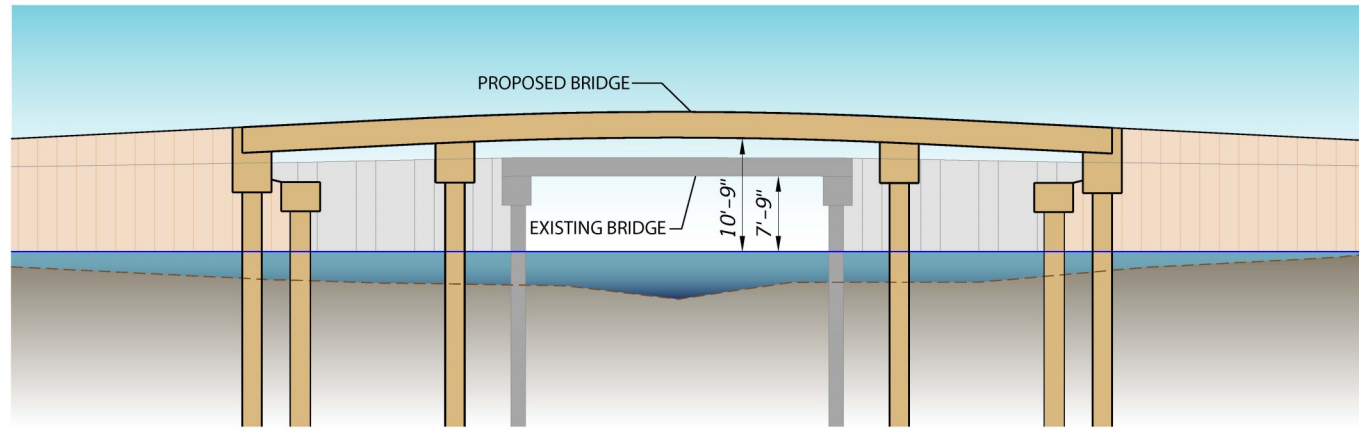

Financial Project ID: 411423-1
Cedar Key, Florida

Welcome to the Florida Department of Transportation's public hearing to discuss the replacement of the C Street Bridge in Cedar Key, Florida.

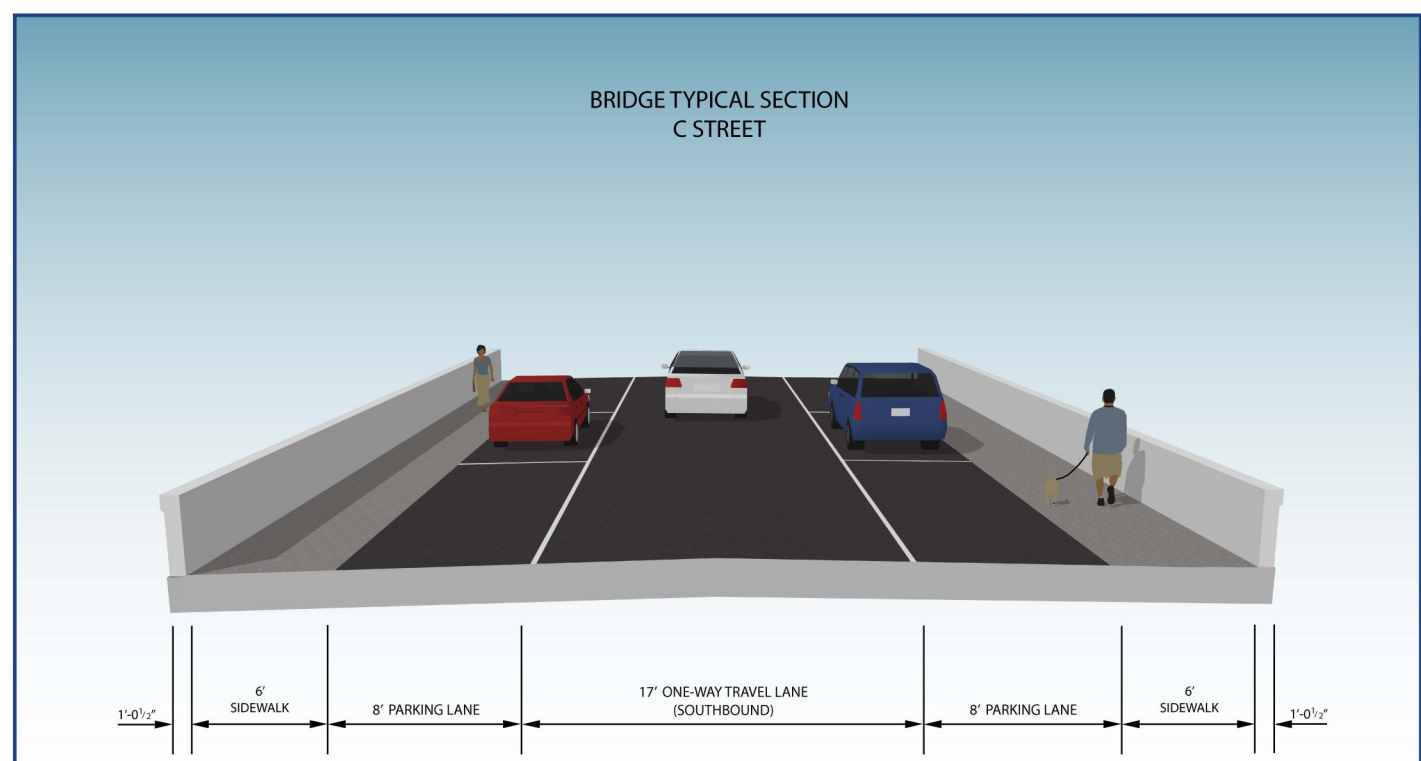

The Department previously held two public meetings where alternatives were presented for public input. After listening to the input from these meetings, the Department has refined the preferred alternative. Tonight's hearing is being held to provide an opportunity to review the refined alternative and receive your comments regarding the new design.

Public participation is sought without regard to race, color, religion, sex, age, national origin, disability or family status.
