

Public Information Meeting
SR-A1A (May Street) Drainage Improvements
Financial Project ID: 210452-4
St. Augustine, Florida

Please join the Florida Department of Transportation (FDOT) for a public meeting to discuss proposed drainage improvements for SR-A1A (May Street) in St. Augustine, Florida.

The FDOT is proposing to replace the existing drainage system on May Street from east of San Marco Avenue to the Hospital Creek Bridge.

To construct the drainage pipes located under the roadway, the existing two travel lanes will be shifted to the southern right of way line. Two lanes of traffic will be maintained at all times.
