

PUBLIC HEARING

County Road 339

BRIDGE REPLACEMENT OVER
LITTLE WACCASASSA RIVER
Levy County, Florida

February 2018

Financial Management Number: 437405-1-22-01

The Florida Department of Transportation (FDOT) invites you to attend the public hearing for the proposed improvements to County Road (CR) 339 Bridge over Little Waccasassa River in Levy County, Florida. **The public hearing will be held on Thursday February 22, 2018 at the Bronson Town Hall located at 660 E. Hathaway Avenue, Bronson, FL 32621.** The hearing will begin at 4:30 pm to give you an opportunity to review the exhibits and talk one-on-one with FDOT staff. A formal presentation will take place at 6:00 pm followed by a public comment period.

The FDOT is conducting a Project Development and Environment (PD&E) Study on CR 339 bridge over Little Waccasassa River. The proposed improvements will shift the existing CR 339/SR 500 (US 27 Alternate) intersection approximately 1,700 feet to the west (see Proposed Improvement Map on the reverse page). FDOT encourages you to get involved and provide comments regarding the social, economic, access management, and environmental effects of the proposed improvements.

As of February 1, 2018, project documents will be available for review at the Bronson Public Library located at 600 Gilbert Street, Bronson, FL 32621. Persons wishing to submit written comments may do so at the public hearing or mail/email them to the address provided no later than March 4, 2018.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Mr. David Tyler at the number provided below, at least seven (7) days before the public hearing.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the FDOT pursuant to 23 U.S.C § 327 and a Memorandum of Understanding dated December 14, 2016 and executed by the Federal Highway Administration and FDOT.
