4:30—6:30 PM

No Presentation

Keystone Heights City Hall

555 S. Lawrence Blvd.

Keystone Heights, FL

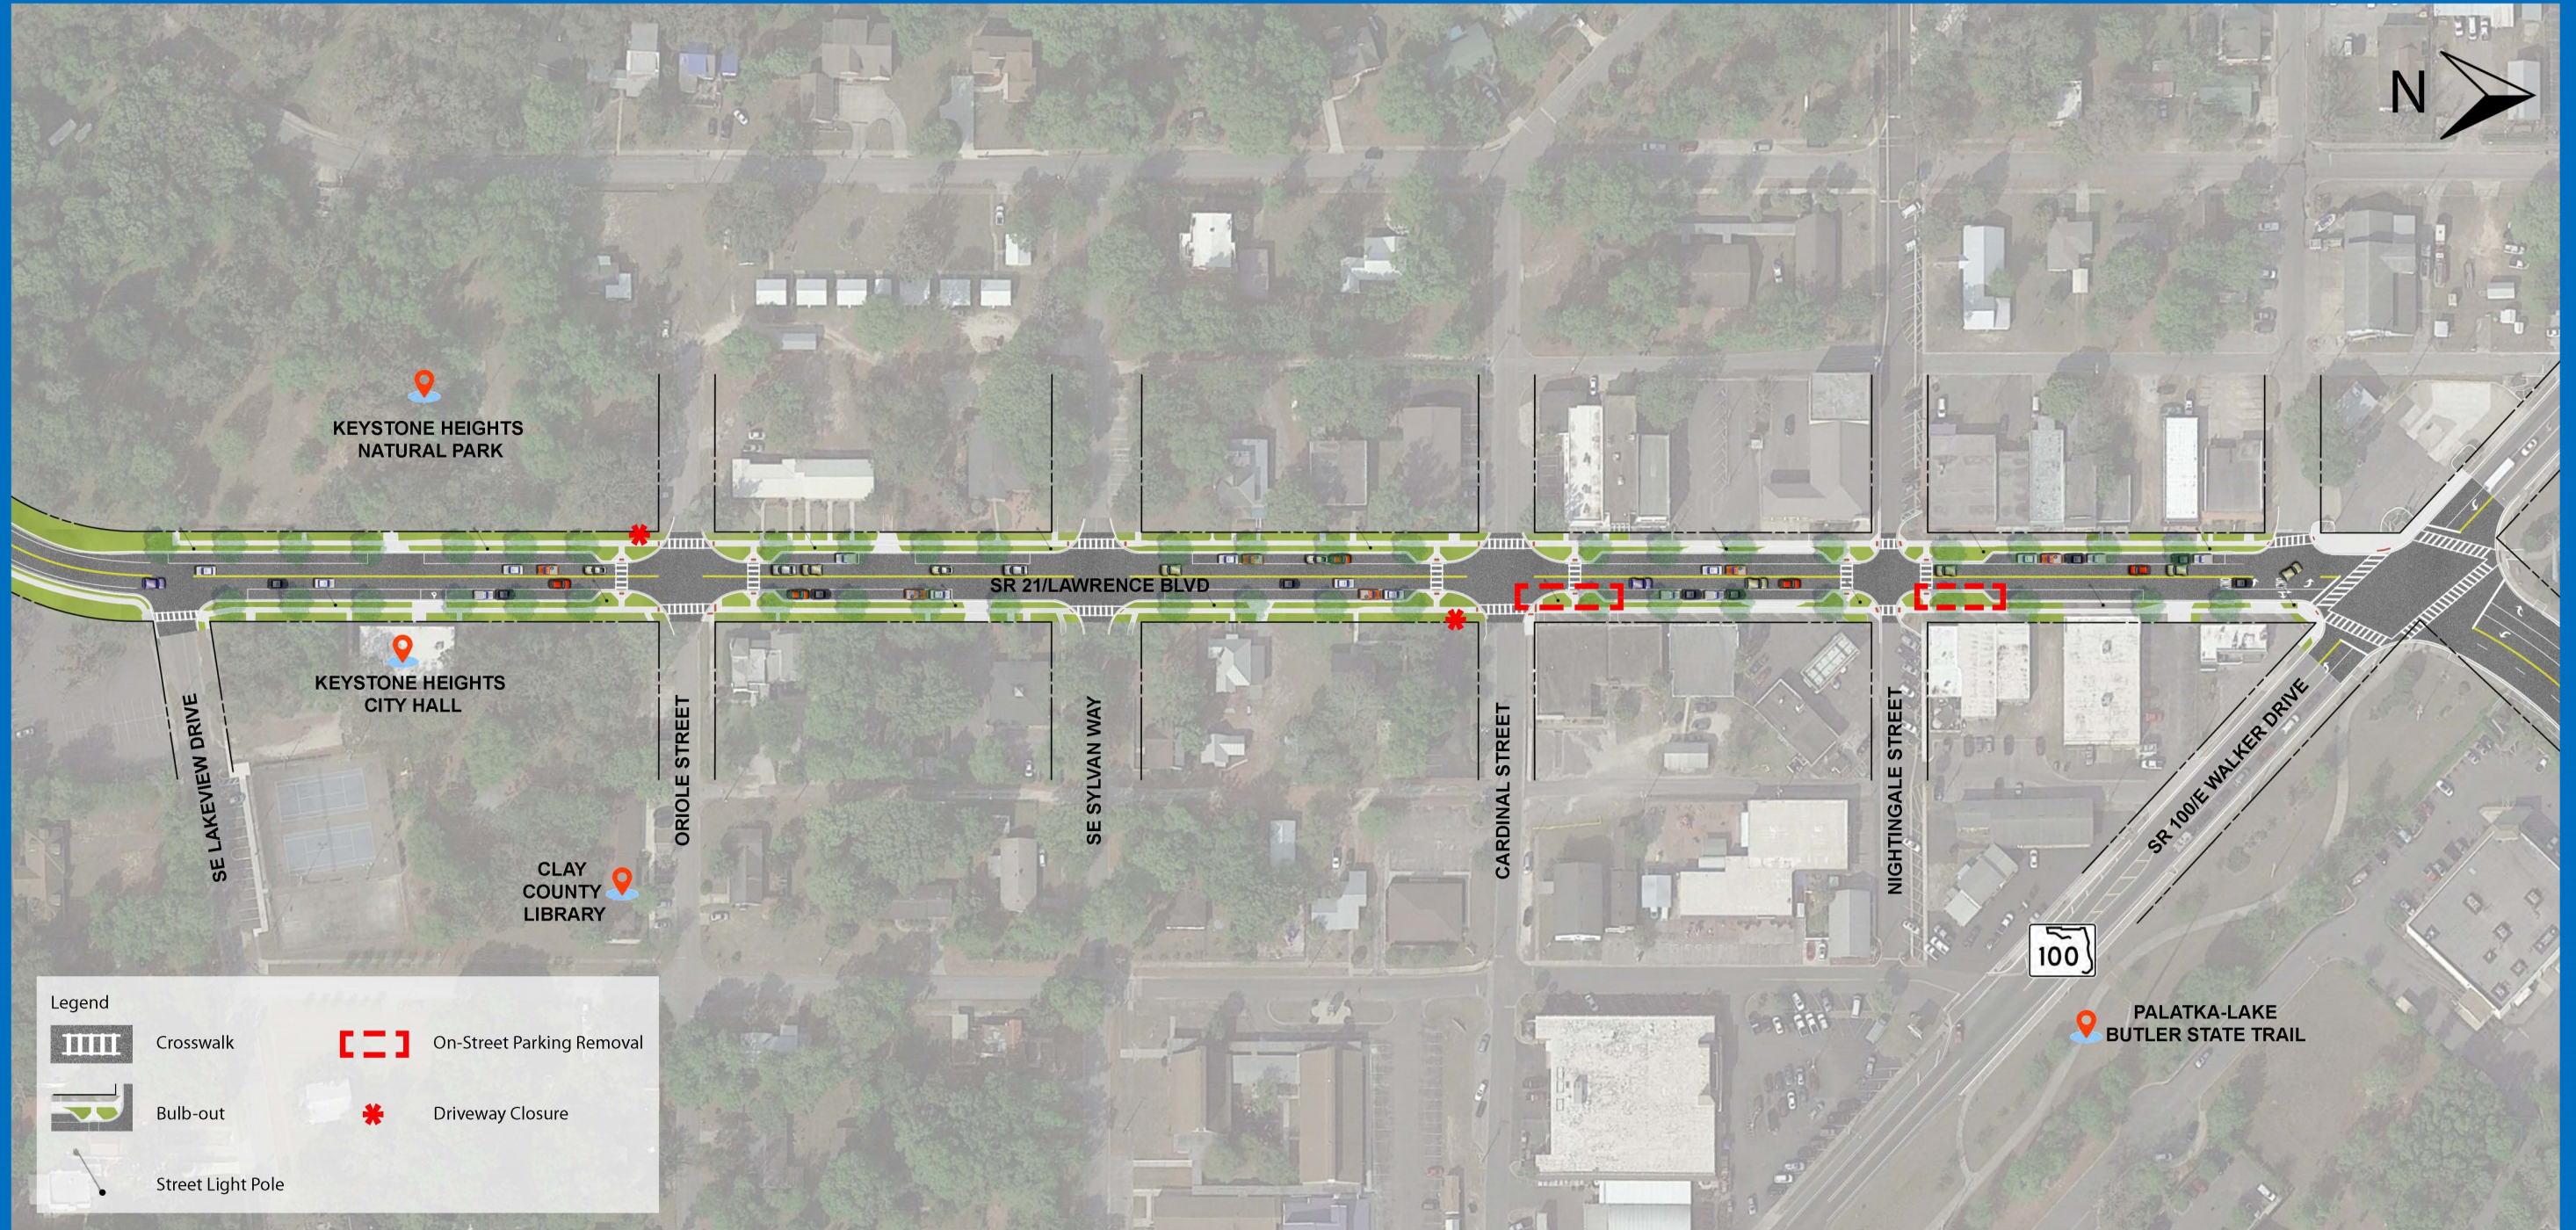

Welcome to the Florida Department of Transportation's (FDOT) public meeting regarding the proposed improvements to State Road 21 in Bradford and Clay Counties, Florida.

The FDOT is proposing to mill and resurface SR-21 from the Putnam County Line to north of Commercial Circle in Keystone Heights. Portions of this project are in Bradford, Clay and Putnam Counties. In addition to the milling and resurfacing, the Department will be improving the safety of the roadway by widening the paved shoulders, improving the lighting within the Town of Keystone Heights, and adding mid-block crossings and bulb-outs as part of the Town's Streetscape project. Additionally, signal and pedestrian improvements at the intersection with SR-100 are also being proposed.
