

DISTRICT TWO

Atlantic Boulevard (State Road 10) at 3rd Street (State Road A1A)

Neptune Beach, Duval County, Florida

FIN 443553-1

ABOUT THE PROJECT

The Florida Department of Transportation (FDOT) is considering changes to the roadway, striping and medians at the intersection of Atlantic Boulevard (S.R. 10) at 3rd Street (S.R. A1A) in Neptune Beach. Proposed changes include:

- Installing a two-stage pedestrian crossing on the south side of the intersection to increase the amount of green time for northbound to westbound vehicles
- Installing pedestrian refuge islands along the south side of the intersection to reduce the exposed crossing distance for pedestrians
- Reconfiguring the intersection to increase the green time for eastbound to southbound traffic
- Adding a protected phase for pedestrians so that they are not in conflict with eastbound to southbound turning vehicles
- Making improvements to pedestrian lighting

Project documents are available for review at this hearing and online at www.nflroads.com. Persons wishing to submit written statements or other exhibits in place of or in addition to oral statements may do so at the hearing, by email to jeff.daugharty@dot.state.fl.us or by mail to Jeff Daugharty, 2198 Edison Avenue, Jacksonville, Florida, 32204. Exhibits or statements postmarked by June 28, 2019 will become part of the public hearing record.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status.
