

# ACCESS MANAGEMENT HEARING

## State Road 25/U.S. 441 Median Modification

Micanopy, Alachua County, Florida

### Project Overview

The purpose of the public hearing is to discuss a proposal to close a full median opening along U.S. 441 as part of a traffic signal project at the intersection of U.S. 441 and County Road 234W. These improvements are part of a larger project that will resurface the pavement of U.S. 441 and make operational and safety improvements between Alachua County Line and State Road 331/Williston Road. The estimated start date for the project is January 2021 with an estimated completion date of December 2021, weather and schedule permitting.

*Proposed median modifications*

Project documents are available for review today and at [www.nflroads.com](http://www.nflroads.com). Persons wishing to submit written statements or other exhibits in place of or in addition to oral statements may do so during this hearing or by sending them to Victor Marrero, 1109 S. Marion Avenue, Lake City, FL 32025. All exhibits or statements postmarked on or before February 8, 2020 will become part of the public hearing record.

**Public participation at this hearing is encouraged and solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.**

**It is the Florida Department of Transportation's mission to provide a safe transportation system that ensures the mobility of people, goods, enhances economic prosperity and preserves the quality of our environment and communities.**
