The Florida Department of Transportation (FDOT) is considering a safety project to reduce collisions along Atlantic Boulevard. The proposed project includes installation of a raised median along Atlantic Boulevard from Monument Road to Anniston Road in place of the existing two-way left-turn lane; resurfacing and restriping the asphalt pavement within the entire project limits (just east of Monument Road through the Anniston Road intersection); marking all four pedestrian crosswalks at the intersection of Atlantic Boulevard and Anniston Road with “Special Emphasis” crosswalk markings; and constructing an opening in the raised median near Library Road to allow full access for emergency vehicles from Fire Station 30.

To provide citizens with an opportunity to share input on the proposed changes, FDOT will host a hybrid public hearing **Tuesday, November 17, 2020**, online at nflroads.com/VPH or by phone at (631) 992-3221, access code 421-531-939. Citizens who are unable to participate virtually or by phone may attend the hearing in person at the FDOT Urban Office Training Center, 2198 Edison Avenue, Jacksonville, FL 32204. An informal open house will be held from 4 to 6 p.m., during which attendees may ask questions and discuss the project with members of the project team. A formal public comment period will begin at 6 p.m.

Both virtual and in-person participants will be given equal opportunity to ask questions and make oral statements that will become part of the public hearing record. Persons who wish to submit written statements or other exhibits may do so prior to or during the hearing in the comments section at nflroads.com/VPH. Citizens may also submit questions, statements and other exhibits by sending them to Nick Hope P.E., Project Manager, via email at Nick.Hope@dot.state.fl.us or traditional mail at 2198 Edison Avenue, Jacksonville, FL 32204. All exhibits or statements postmarked on or before November 27, 2020 will become part of the public hearing record. Project-related documents are currently available for review at nflroads.com/VPH.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or who require translation services (free of charge) should contact Sara Pleasants at least seven days prior to the hearing at sara.pleasants@dot.state.fl.us or (904) 831-3368.
