

**PROPOSED MEDIAN MODIFICATIONS**

**ABOUT THE PROJECT**

EDA Engineers-Surveyors-Planners Inc. representing Oaks Preserve Properties, LLC has applied for a permit to construct a housing development with a drive connection at an existing full median opening on Archer Road between 51st Street and 52nd Terrace. In order for the median opening to comply with spacing requirements, FDOT is requiring the permittee to modify the opening from full to directional. This modification will not have impacts to properties other than the proposed Oaks Preserve, which will be restricted from making left turns out to westbound Archer Road. You may find the traffic study and proposed connection, provided by the permittee, by visiting [nflroads.com](http://nflroads.com) and selecting "Alachua County."

With this notification, the Florida Department of Transportation is seeking input from property owners who may be impacted by the proposed changes. If you would like to comment on the proposed median modifications, please send your comments to Permits Manager Adam Doyle at (352) 381-4308 [Adam.Doyle@dot.state.fl.us](mailto:Adam.Doyle@dot.state.fl.us) or 5301 NE 39th Avenue, Gainesville, FL 32609. **Public comments regarding the proposed median modifications will be accepted through November 19, 2020.**
