

ABOUT THE PROJECT

The Florida Department of Transportation (FDOT) is scheduled to begin a resurfacing project on U.S. 1 (State Road 5) from State Road 207 to the St. Augustine City Gates in June 2021. This work will include:

U.S. 1 (State Road 5) from State Road 207 to the St. Augustine City Gates is being resurfaced and the concrete rehabilitated. On-street parking removal is being done to install buffered bicycle lanes. To safely complete this work, daytime and nighttime lane closures will be necessary. This section of U.S. 1 will have bicycle lanes on both sides of the roadway. The project begins in June 2021 and is expected to be completed in summer 2023 (barring unforeseen circumstances) at a cost of \$15 million. Kiewit Infrastructure South Company is the contractor.
