Engage With Us!

FDOT encourages you to participate, whether you utilize the virtual option or attend in-person.

After reviewing the meeting materials and/or participating, there are multiple ways for you to provide comments to FDOT. These include:

1. During the virtual meeting, or in-person meeting
2. Project website at www.nflroads.com/RaceTrack
3. Email the FDOT Project Manager **Thomas Redding**, at Thomas.Redding@dot.state.fl.us
4. Mail comments to the FDOT District 2 Office at
1109 S. Marion Avenue, Lake City, Florida 32025

While comments about the project are accepted at any time, please note that comments must be received by **Monday, February 19, 2024** to be included in the formal meeting record.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by the Florida Department of Transportation (FDOT) pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated May 26, 2022 and executed by the Federal Highway Administration and FDOT.

Public Meeting

Race Track Road at
US 1 (Philips Highway)

St. Johns and Duval Counties | Financial Management ID: 441220-2

The Florida Department of Transportation (FDOT) District 2 welcomes you to the Hybrid Public Meeting for Race Track Road at US 1 (Philips Highway) Project Development & Environment Study (Financial Management No. 441220-2).

The purpose of this meeting is to inform the public of the proposed improvements and provide an opportunity for the public to express their opinions and concerns regarding the project.

About the Project

The intersection of Race Track Road and US 1 (Philips Hwy) is experiencing significant congestion during peak hours. A Project Development & Environment (PD&E) Study is currently underway to evaluate alternatives to address traffic operations and safety improvements at the intersection of Race Track Road/Nocatee Parkway and US 1 (Philips Hwy). The proposed concept being presented will reduce the delay for motorists traveling through the intersection.

Access Management

What is Access Management?

Access management is the careful planning of the location, design and type of access to properties, businesses and homes. This also includes median openings and driveway opening guidelines. Access management serves to promote safe and efficient movement of people and goods by reducing conflict.

How does Access Management improve safety?

Access management improves safety by reducing the number of potential conflict points by users of the transportation network.

Questions about Access Management?

If you have concerns about access that affect your property or business, you may appeal to the Committee and request an opportunity to present your concerns in person or in writing by contacting the Access Management Review Committee, Attention Carlos Nieto, PE, 2198 Edison Avenue, MS 2815, Jacksonville, FL 32204.
Phone: (904) 360-5455, Email: CarlosA.Nieto@dot.state.fl.us
