

North Florida Transportation Planning Summit

Grants, Growth, & Best Practices

The Florida Department of Transportation (FDOT), District 2, invites you to attend the first North Florida Transportation Planning Summit on **Tuesday, April 29th, 2025, at the Suwannee County Fairgrounds. The event will begin at 9:30 am and extend until 3:00 pm.** The summit will cover different types of State grants available, planning for growth, and emergency response and repair best practices. The morning portion of the summit will include brief presentations introducing the various grants available from different State agencies and the afternoon will be a workshop session with booths so you can ask one-on-one questions about specific grants from each agency representative. Please see attached agenda for a detailed breakdown of the summit.

Meeting Location

Suwannee County Fairgrounds
1302 11th Street
Live Oak, FL
