### Overnight Detours Planned for the Your10and95 Project

**Jacksonville** – The Your10and95 operational improvements project will see nightly detours from 11 p.m. to 5 a.m., Wednesday, November 20 through Friday, November 22 for bridge construction.

Motorists who wish to access I-95 south from the Adams Street and Bay Street collector/distributor will be detoured to I-10 west, take the McDuff Avenue exit, take a left onto McDuff Avenue, take a left onto I-10 east and continue onto the exit ramp for I-95 south.

FDOT hired Archer Western to complete this \$126 million project in fall 2020, weather and unforeseen circumstances permitting.
