Overnight Detour Planned for Airport Road and Airport Center Drive

Jacksonville – As part of the Florida Department of Transportation’s Airport Road and I-95 interchange improvements project, a detour of eastbound and westbound Airport Road and Airport Center Drive is scheduled for February 18 from 10 p.m. to 6 a.m. for overhead sign work, weather and unforeseen circumstances permitting.

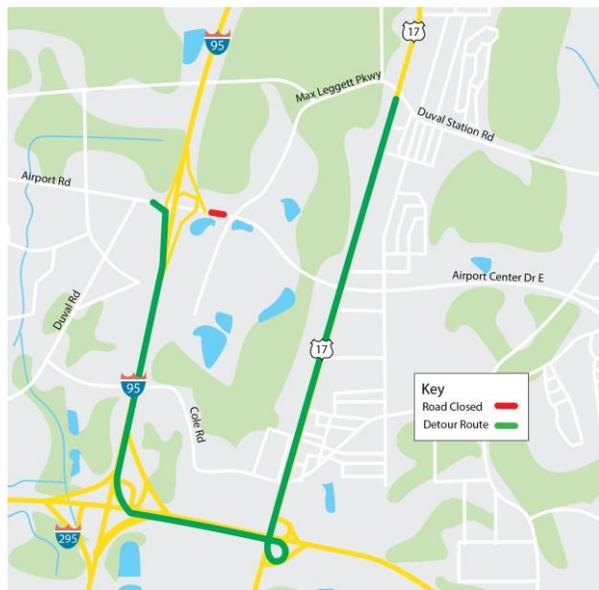

Airport Center Drive Westbound: Drivers heading west on Airport Center Drive who wish to continue to the Jacksonville International Airport will be detoured south on U.S. 17 (Main Street), take at left to access I-295 west, take the International Airport Boulevard exit, take a right at the bottom of the ramp, take the next right onto Biscayne Boulevard, take the first left onto Duval Road and continue to Airport Road. (See map below)

I-95 North to Max Leggett Parkway: Drivers heading north on I-95 who wish to take the Max Leggett Parkway exit will continue on I-95 north, take the Pecan Park Road exit, take a right on Pecan Park Road, take a right on U.S. 17 (Main Street) and continue to Max Leggett Parkway. (See map below)

I-95 South and Airport Road East to Max Leggett Parkway: Drivers headed east on Airport Road will take the I-95 south ramp to join motorists already on I-95 south. Drivers will then take the flyover to I-295 east, take the U.S. 17 (Main Street) exit, take a right on U.S. 17 and continue to Max Leggett Parkway. (See map below)

Watson Civil Construction Inc. is expected to complete the \$11 million project in spring 2020, weather and unforeseen circumstances permitting. For up-to-date information regarding construction projects, please visit www.nflroads.com or contact FDOT at 904-831-FDOT.
