FDOT Begins Landscaping Improvements Along Beach Boulevard

Jacksonville – Work to improve landscaping and install irrigation along Beach Boulevard began this week. The area of improvements is on Beach Boulevard from Parental Home Road to St. Johns Bluff Road.

The project includes the planting of Wild Date Palms along the Beach Boulevard median and the installation of an irrigation system.

Traffic will be maintained in accordance with FDOT design standards throughout the project. Drivers can expect periodic single lane closures during off-peak driving hours. Lane closures may occur from 8:30 p.m. to 6:30 a.m. seven days a week.

Oasis Landscaping Services Inc. is expected to complete this \$827,000 improvement project in early 2020, weather and unforeseen circumstances permitting.

The Florida Department of Transportation urges motorists to always follow the speed limit and stay within the limits of orange cones and barrels while traveling through construction zones. For up-to-date information regarding construction projects and lane closures, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
