Beach Boulevard Drainage Improvements Project to Begin This Month

JACKSONVILLE, Fla. – Construction to improve drainage on Beach Boulevard (State Road 212) from Cedar Swamp Creek to Brougham Avenue begins this month.

J.B. Coxwell Contracting, Inc. was selected to complete this project, which includes all investigation, permitting, coordination, final approved construction documents, and construction activities necessary for the construction of drainage improvements and pavement settlement remediation along Beach Boulevard (State Road 212) from Cedar Swamp Creek to Brougham Avenue. This is a design-build project.

Traffic will be maintained in accordance with FDOT design standards throughout the project. No lane closures are allowed from 6 a.m. to 9 p.m. Monday through Friday. A lane may only be closed during active work periods. Double lane closures are not allowed during this project.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on X (formerly known as Twitter) or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
