## Construction to Start Next Week on U.S. 1 from Ingham Road to the Georgia State Line Resurfacing Project

**HILLIARD, Fla.** – Construction is beginning next week on the Florida Department of Transportation's U.S. 1 from Ingham Road to the Georgia State Line resurfacing project.

In addition to milling and resurfacing, the project will include driveway approach improvements, milling and resurfacing of the weigh station, guardrail installation, sidewalk construction and traffic signal and signage updates.

Traffic will be maintained in accordance with FDOT design standards throughout the project. No lane closures will be allowed between 6:30 a.m. and 8:30 a.m.

Anderson Columbia, Co. was selected to complete this project at a cost of \$12.72 million in late 2024, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
