### County Road 220 Detour, Traffic Shift Planned for August 7

**MIDDLEBURG, Fla.** – As part of construction related to the First Coast Expressway (State Road 23), County Road 220 will be closed from 11 a.m. Sunday, August 7 until 5 a.m. Monday, August 8 to allow for installation of drainage pipe under the roadway, weather and unforeseen circumstances permitting. Traffic will be detoured to State Road 21 between CR 220 and Baxley Road (shown in the map below).

During the closure, crews will also implement a lane shift on County Road 220 between Baxley Road and State Road 21. Traffic will be shifted onto temporary asphalt just north of the existing roadway to allow for utility work on the south side of the roadway.

August means back to school! Kids walk, bike and wait for the school bus in the early morning hours. Motorists should always obey school speed zone limits and never drive

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
