### Detour of I-95 North Planned for This Week at the I-10/I-95 Operational Improvements Project

**JACKSONVILLE, Fla.** – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, detours of I-95 north approaching downtown are planned for Wednesday, October 13 through Friday, October 15 from 11 p.m. to 5:30 a.m., weather and unforeseen circumstances permitting.

Drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95. (See map below.)

FDOT hired Archer Western to complete this \$126 million project in early 2022, weather and unforeseen circumstances permitting.

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
