Detour on Ribault Scenic Drive Scheduled Next Week for Drainage Work

Jacksonville, Fla. – As part of the Ribault River Bridge replacement project on Howell Drive, detours will be in place on Ribault Scenic Drive at Howell Drive Tuesday, May 19 through Saturday, May 23 for crews to install drainage pipes, weather and schedule permitting.

Motorists will detour via Winton Drive and Van Gundy Road (map below). Local thru traffic will remain available for residents within the work area.

The existing bridge, which was built in 1964, is currently being replaced by a new bridge with two 12-foot travel lanes and 5-foot wide shoulders striped for bicyclists. Barrier walls will be constructed to separate pedestrian and vehicular traffic, and sidewalk and handrails will be installed on both sides of the bridge.

Superior Construction Company Southeast, LLC was contracted to complete the \$11.8 million project by summer 2020, weather and unforeseen circumstances permitting.
