Detours Scheduled This Week for South San Marco Boulevard at Hendricks Avenue

JACKSONVILLE, Fla. – As part of intersection improvements on San Marco Boulevard at Hendricks Avenue (State Road 13), daytime detours of southbound San Marco Boulevard at Hendricks Avenue are necessary for curb and gutter work to be completed safely. The detours are scheduled to take place between 10 a.m. and 11 a.m. on Wednesday, Jan. 8, Thursday, Jan. 9 and Friday, Jan. 10.

At these times, drivers on southbound San Marco Boulevard seeking to access Hendricks Avenue will follow posted detour signs to use Alford Place to Hendricks Avenue instead. The detour map is below.

Janus Construction is estimated to complete the \$1.8 million intersection improvements by summer 2025, weather and unforeseen circumstances permitting.
