Detours on Edgewood Avenue at College/Falmouth Streets to Remain in Place through Aug. 23

JACKSONVILLE, Fla. – Due to weather-related delays, existing detours are expected to remain in place on Edgewood Avenue at the intersection with College Street and Falmouth Street for roundabout construction through Friday, Aug. 23.

The existing detours will be continuous until roundabout construction is completed. Other project work includes improvements to sidewalks, striping, curbs and the elimination of the traffic signals at the intersection, which will improve traffic flow. Businesses in the area are open and accessible throughout construction.

During the closures, drivers will be directed through the detour and should use additional caution in the area.

Superior Construction was awarded the contract to complete this \$7.66 million project in fall 2024, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL), on X (formerly Twitter), at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com).
