## Detours Planned Next Week at the I-10/I-95 Operational Improvements Project

**JACKSONVILLE, Fla.** – As part of bridge construction activities for FDOT's I-10/I-95 Operational Improvements project, overnight detours of I-95 north and the I-95 south to I-10 flyover are scheduled from Sunday, November 21 through Tuesday, November 23, pending weather and unforeseen circumstances.

**I-95 North to I-10 Flyover Detours:** Sunday, November 21 through Wednesday, November 23 from 10 p.m. to 5:30 a.m., drivers on I-95 north who wish to take I-10 west will be detoured to the Park Street exit. At the bottom of the ramp, drivers will turn right on Park Street, left on Forest Street, left on Edison Avenue, left on Stockton Street and left on Irene Street to access the I-10 west ramp.

**I-95 North Detour:** Sunday, November 21 from 10 p.m. to 5:30 a.m., drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95.

FDOT hired Archer Western to complete this \$126 million project in early 2022, weather and unforeseen circumstances permitting.

Safe travels during the holidays will help ensure a happy holiday for you and your loved ones. Be sure to buckle up, don't drive distracted, and designate a sober driver.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
