Drainage Improvements Underway on Nix Boat Yard Road at U.S. 1

St. Augustine, Fla. – Access to Nix Boat Yard Road from U.S. 1 will be intermittently unavailable while crews complete drainage work Tuesday, February 18 through Friday, February 21. Motorists may experience traffic delays and are encouraged to seek an alternate route until the work is completed.

Drainage structures are being replaced on the north side of Nix Boat Yard Road (map below) to reduce flooding in the area.

Lane closures and flagging operations will be necessary Monday through Sunday from 9 a.m. to 3 p.m. Drivers should proceed through the construction zone with caution and adhere to posted signs.

RJP Enterprise, Inc. is scheduled to complete the \$700,000 improvement project by late March, weather and unforeseen circumstances permitting.
