### Drivers to See Temporary Road Closures for State Road 20 Widening Reconstruction Work Starting October 14

**Interlachen, Fla.** – As part of the State Road 20 widening project, drivers traveling on State Road 20 will see temporary road closures at Kitty Lane, Oak Crest Drive and Florida Trail starting Wednesday, October 14 through late November, weather and unforeseen circumstances permitting. The temporary closures are necessary to complete widening and reconstruction work at State Road 20 access points.

Access to State Road 20 at Kitty Lane and Oak Crest Drive will be temporarily unavailable. Drivers will detour via SW 56<sup>th</sup> Avenue/South Cooper Lake Drive and Lakeview Trail.

Periodic traffic/lane shifts will be necessary on State Road 20 to allow the contractor to safely complete work. Lane closures are allowed Monday through Friday after 8:30 a.m.

This segment includes widening State Road 20 from SW 56<sup>th</sup> Avenue to County Road 315 from a 2-lane roadway to a 4-lane urban roadway with curbs, gutters, medians, bike lanes, 5-foot sidewalk on the north side and a 10-foot multi-use path on the south side of the roadway.

P & S Paving, Inc. was selected to complete the \$23 million roadway construction by summer 2021. Construction completion estimates are fluid and subject to change, weather and schedule permitting.
