FDOT Scheduled to Begin Resurfacing Project on State Road 45 (U.S. 41) from the Levy County Line to State Road 24 June 10

ARCHER, Fla. – Work is scheduled to begin Monday, June 10 on a project to resurface U.S. 41 (State Road 45) from the Levy County Line to State Road 24. Project improvements include milling and resurfacing, shoulder treatment, drainage improvements, curb and gutter, highway signing, guardrail, sidewalks and other incidental construction.

Anderson Columbia Co., Inc. was awarded the \$3.8 million resurfacing project. The project is expected to be completed in early 2025, weather and unforeseen circumstances permitting.

Lane closures throughout the corridor are expected on weekdays from 8:30 a.m. to 7 p.m. Lane closures are necessary to facilitate the safety of motorists, pedestrians and construction personnel during improvements.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
