FDOT Scheduled to Begin Rumble Strip Project on U.S. 301 From Carter Road to North of Northwest 271st Way June 9

BRADFORD COUNTY, Fla. – Work is scheduled to begin Sunday, June 9 on a project to install rumble strips in Bradford County on U.S. 301 from Carter Road to North of Northwest 271st Way. Project improvements include rumble striping, pavement markings and other incidental construction.

TRP Construction Group, LLC. was awarded the \$2.9 million rumble strip project. The multi-county project includes rumble strip installation in Alachua County, Bradford County, Gilchrist County and Levy County. The project is expected to be completed in summer 2025, weather and unforeseen circumstances permitting.

Work on U.S. 301 is expected nightly from 8 p.m. to 5 a.m. with minimal traffic impacts. Lane closures are necessary to facilitate the safety of motorists, pedestrians and construction personnel during improvements.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
