FDOT Starts Arlington River Bridge Rehabilitation Project

JACKSONVILLE, Fla. – FDOT has started work on the Cesery Boulevard (State Road 109A) Arlington River Bridge cathodic protection project.

Oceanik US, Inc was selected to complete this \$3.12 million cathodic protect project by winter 2024. To limit the impact to residents and the traveling public, lane closures are restricted daily from 6 to 9 a.m. on southbound Cesery Boulevard and from 3 to 6 p.m. on northbound Cesery Boulevard.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nfroads.com](https://www.nfroads.com). Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
