## FDOT to Begin Mayport Road Safety Improvements

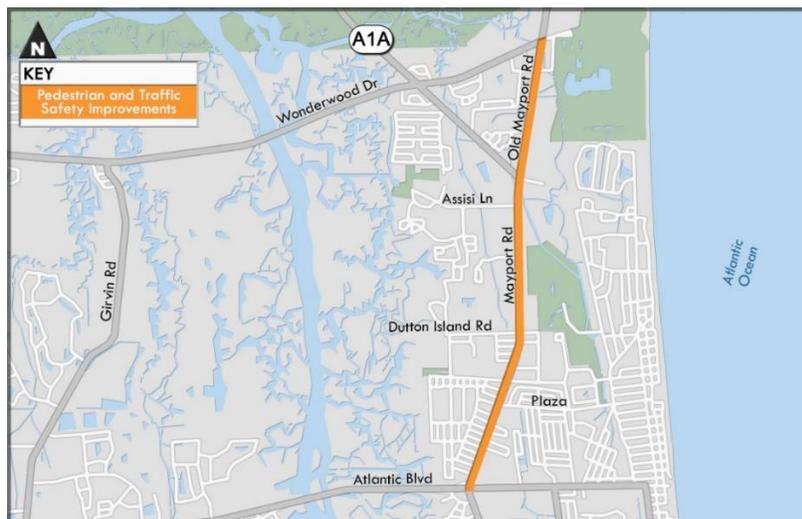

**JACKSONVILLE, Fla.** – The Florida Department of Transportation (FDOT) will soon begin a pedestrian and vehicle safety improvement project on Mayport Road (State Road 101/A1A) from Atlantic Boulevard (State Road 10) to Wonderwood Drive (State Road 116).

Safety improvements along the three-mile roadway include installation of new traffic and pedestrian signs, crosswalk re-stripping, lighting improvements and traffic signal upgrades.

Construction is scheduled to begin May 5 and be completed in fall 2022, weather and unforeseen circumstances permitting. Traffic Control Devices, LLC is the contractor for the \$1.4 million project.

May is motorcycle and bicycle safety awareness month. Motorcyclists and bicyclists are vulnerable road users. Look twice before pulling into an intersection, changing lanes, or making a turn. Be a cautious driver and let's get everyone home safely!

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT\_NEFL on Twitter or at MyFDOTNEFL on Facebook.
