### **FDOT to begin I-10 Resurfacing from Nassau County Line to First Coast Expressway April 15**

**JACKSONVILLE, Fla.** – Construction is expected to begin on April 15 on I-10 from the Nassau County line to the First Coast Expressway (State Road 23). Improvements consist of milling and resurfacing almost nine miles of I-10, drainage improvements, highway signing, safety enhancements, traffic monitoring site upgrades, bridge joint repairs, and other incidental construction.

Traffic will be maintained in accordance with FDOT plans and design standards throughout the project. Drivers can expect overnight lane closures from 8 p.m. to 5 a.m. Monday through Thursday, from 10 p.m. to 8 a.m. Friday and Saturday, and from 10 p.m. Sunday to 5 a.m. Monday. During construction the posted speed limit is expected to be lowered for the safety of vehicles and construction crews.

Hubbard Construction Company was awarded the \$19 million project with projected completion in mid-2025, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
