

**\*\*Traffic Advisory\*\***

**Jacksonville, Fla.** – Southbound I-95 over West 5th Street will see multi-lane closures as crews perform bridge maintenance activities related to the bridge deck.

Bridge maintenance crews identified concrete spall (cracked concrete) on the bridge deck. Multi-lane closures will be set in place immediately as crews begin the repair. The bridge repair is expected to take place overnight, and the lane closures will be removed as soon as the repairs are complete.

Drivers seeking real-time traffic alerts may visit [www.FL511.com](http://www.FL511.com) or download the FL511 app prior to their journey.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
