JACKSONVILLE, Fla. – The Florida Department of Transportation will hold a hybrid public meeting to discuss proposed safety improvements on Atlantic Boulevard (State Road 10) and Dunn Avenue (State Road 104) Tuesday, Oct. 4. The meeting will include an open house from 4:30 to 6 p.m., followed by a formal public comment period at 6 p.m.

FDOT proposes modifying existing medians and installing Median Traffic Separators with the goal of reducing traffic crashes on Dunn Avenue between Biscayne Boulevard and Harts Road (top map) and Atlantic Boulevard between Anniston Road and Dibble Circle (bottom map).

All interested persons or groups are encouraged to attend and participate. A crash can occur at any moment. Whether you are traveling one mile or one thousand miles, the driver of a motor vehicle and all passengers should always wear a seatbelt. Children ages 0 through 3 must be in child restraint. Kids ages 4 through 5 must be in a separate carrier, integrated child seat or booster seat. Let's get everyone home safe. #TargetZeroFL
