### **FDOT to Host Public Meetings Next Week for Proposed Access Management Changes to Blanding Boulevard and Wells Road Intersection**

**ORANGE PARK, Fla.** – The Florida Department of Transportation (FDOT) will host two public meetings next week to discuss proposed access management changes to the intersection of Blanding Boulevard (State Road 21) and Wells Road.

A virtual public meeting is scheduled Monday, Sept. 25, starting with an open house from 5:30 to 6 p.m., followed by a formal presentation and public comment period at 6 p.m. To register, visit [www.nflroads.com/vph](http://www.nflroads.com/vph). The virtual meeting is also available via telephone in “Listen Only” mode by calling (213) 929-4221 and entering access code 630-958-358.

An in-person public meeting is scheduled Tuesday, Sept. 26 at the Orange Park Public Library, Meeting Room A, 2054 Plainfield Ave., Orange Park, Florida 32073. Interested parties may view displays and discuss proposed changes with the project team during the open house period from 4:30 to 6:30 p.m. A formal presentation and public comment period will begin at 6:30 p.m.

For more information regarding the project, please visit the project website at [www.nflroads.com/blanding](http://www.nflroads.com/blanding).

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
