### Southside Connector from I-295 to Arlington Expressway Closures scheduled Friday, Sunday and Monday Nights

**JACKSONVILLE, Fla.** – Overnight closures of the Southside Connector (State Road 113) from the Arlington Expressway (State Road 115) to I-295 are scheduled to close tonight and November 22 and November 23 for work related to the Southside Connector Resurfacing Project.

**Friday, November 20:** The northbound lanes of the Southside Connector will close at 7 p.m. and reopen by 7 a.m. Saturday morning. Traffic will detour to Tredinick Parkway and Monument Road to I-295. Merrill Road (State Road 116) traffic will exit at the Merrill Road/I-295 interchange. (Detour in green in below map.)

**Sunday, November 22:** The southbound lanes of the Southside Connector from I-295 to Tredinick Parkway will close at 7 p.m. and reopen by 7 a.m. Monday. Traffic will

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

Improvements along the Southside Connector include resurfacing of the roadway, shoulder treatments, drainage, new highway signage and guardrail repairs. The Southside Connector on and off-ramps at Regency Square Boulevard North, Tredinick Parkway, Merrill Road, including the ramp to I-295 northbound, the I-295 southbound flyover and the Southside Connector Service roads will also be resurfaced.

Safety enhancements include traffic signal, sidewalk and crosswalk upgrades at the Merrill Road interchange and adding bicycle lanes to the southbound and northbound Southside Connector Service roads.

The \$8.7 million contract was awarded to Duval Asphalt Products, Inc. It is expected to be completed in fall 2021, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT\_NEFL on Twitter or at MyFDOTNEFL on Facebook.
