Multiple Overnight Detours Planned for Your10and95 Project

Jacksonville – The Your10and95 operational improvements project will have multiple detours April 6 from 11 p.m. to 5 a.m. to remove an overhead sign structure.

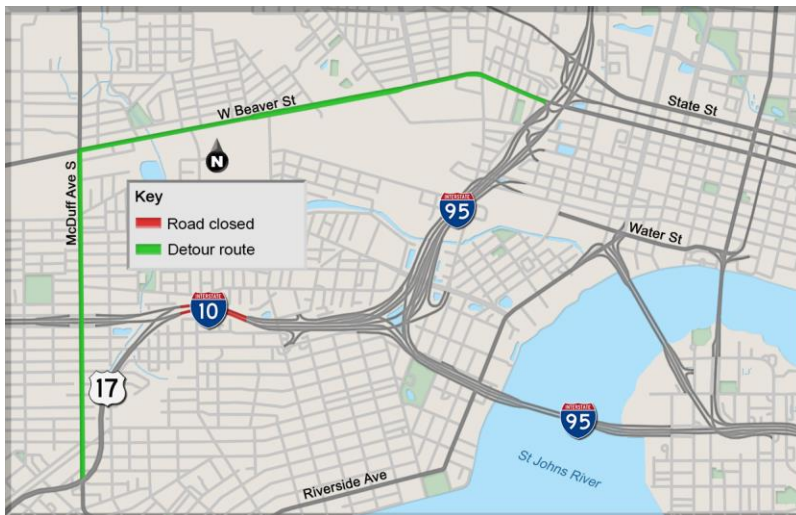

Detour A: Motorists who wish to access I-10 west from I-95 south will be detoured to the Union Street exit. Motorists will continue across Union Street, take a right on Beaver Street west, take a left on McDuff Avenue south and continue to I-10. (See map below.)

Detour B: Motorists who wish to access I-10 west from I-95 north will continue north on I-95 past the I-10 ramp and take the Union Street exit. Motorists will then take the first right onto Lee Street south, take a right on Beaver Street west, take a left on McDuff Avenue south and continue to I-10. (See map below.)

Detour C: Motorists traveling north on U.S. 17 to I-10 will be detoured left on McDuff Avenue north, take a right on Beaver Street east then take a left on Lee Street north to U.S. 17/Union Street. (See map below.)

Detour D: Motorists traveling east on I-10 will be detoured to the McDuff Avenue exit. Motorists who wish to continue to I-95 will take a left on McDuff Avenue north, then take a right on Beaver Street east and continue to I-95. (See map below.)

FDOT hired Archer Western as the contractor to complete this project for \$126 million with completion anticipated in summer 2020, depending on weather, holidays and unforeseen circumstances.

For more information about this project, please visit Your10and95.com.
