New off-ramp to be placed in service

JACKSONVILLE, Fla. – As part of FDOT’s I-10 from I-295 to I-95 widening project, the I-10 east to I-295 off-ramps will be detoured Saturday, Feb. 25 from 8 p.m. to 8 a.m. while crews switch traffic from the old ramp to the newly constructed ramp, weather and unforeseen circumstances permitting.

Detour: Drivers will continue on I-10 east, take the Lane Avenue exit, turn left on Lane Avenue, turn left onto the I-10 west on-ramp and continue to I-295 (see map below.)

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.
