### **I-10 West Exit to Roosevelt Boulevard Detour Planned for This Weekend**

*McDuff Avenue and Post Street Will Also See Closures*

**JACKSONVILLE, Fla.** – As part of FDOT’s I-10 from I-295 to I-95 widening project, the I-10 west exit to Roosevelt Boulevard (U.S. 17) will close beginning at 10 p.m. Friday, April 26 through 5 a.m. Monday, April 28 while crews perform roadway construction activities, weather and unforeseen circumstances permitting.

Drivers who wish to take the Roosevelt Boulevard (U.S. 17) exit will detour to the McDuff Avenue exit and turn left on McDuff Avenue to reconnect with U.S. 17.

To better facilitate the increased flow of traffic along McDuff Avenue resulting from the Roosevelt Boulevard detour, the following closures will also be in place:

- Northbound McDuff Avenue will close at the U.S. 17 intersection
- Southbound McDuff Avenue will close at Lenox Avenue
- The exit from eastbound I-10 to McDuff Avenue will close
- Both directions of Old Roosevelt Boulevard will close at McDuff Avenue
- Both directions of Post Street will close at McDuff Avenue

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.
