Detours Planned for I-95 Northbound to Airport Road Eastbound Off-Ramp

Jacksonville – As part of the Florida Department of Transportation’s Airport Road and I-95 interchange improvement project, there will be nightly detours for the I-95 northbound to Airport Road westbound off-ramp. The detours will be from Sunday, December 16 through Thursday, December 20 from 10 p.m. to 5:30 a.m. to complete utility work.

Motorists on northbound I-95 who wish to access Airport Road westbound will continue north on I-95 to the Pecan Park Road exit. Motorists will take Pecan Park Road westbound to I-95 southbound to reach the Airport Road exit.

The Airport Road and I-95 interchange improvements project extends from Airport Center Drive to west of Duval Road and includes widening of off-ramps, roadway resurfacing, drainage improvements, sidewalk construction and new signage. Watson Civil Construction Inc. is expected to complete the \$11 million project by December 2019, weather and unforeseen circumstances permitting.

For up-to-date information regarding construction projects, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
