Detours Planned for the I-95/I-295 North Interchange Improvements Project

Jacksonville – As part of the Florida Department of Transportation’s (FDOT) I-95/I-295 North Interchange improvements project, there will be overnight detours of the I-295 west to I-95 north ramp September 23-26 from 10 p.m. to 5:30 a.m., weather and unforeseen circumstances permitting.

Motorists traveling west on I-295 who wish to take I-95 north will be detoured to the U.S. 17 (Main Street) exit, head north on U.S. 17 to Airport Center Drive, take a left and continue to the I-95 and Airport Road interchange.

FDOT selected Archer Western to complete this \$176.8 million project in spring 2021, weather and unforeseen circumstances permitting.
