### I-95 at Zoo Parkway Ramp and Lane Closures Scheduled Overnight August 29 through September 2

**JACKSONVILLE, Fla.** – Ramps and lanes at the I-95, Zoo Parkway (State Road 105/Heckscher Drive) and Broward Road interchange are scheduled to close overnight Sunday, August 29 through Thursday, September 2 for work related to the Zoo Parkway resurfacing and improvement project.

The eastbound and westbound lanes of Broward Road at Zoo Parkway will close in phases during the overnight work hours to facilitate construction. Broward Road will remain open and accessible with flaggers in place to direct drivers through the construction zone.

**Sunday, August 29:** The I-95 northbound on-ramp from Zoo Parkway will be closed from 7 p.m. to 6 a.m. the next morning. Traffic will detour south to Edgewood Avenue to access I-95 north. (Detour and closure shown in Map 1 below.)

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
