### I-95 North Detours Planned for Next Week at the I-10/I-95 Interchange Improvements Project

**JACKSONVILLE, Fla.** – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, there will be overnight detours of I-95 north next week, weather and unforeseen circumstances permitting.

Monday, August 8 through Thursday, August 11 from 10:30 p.m. to 5:30 a.m., as well as Friday, August 12 and Saturday, August 13 from 10:30 p.m. to 6:30 a.m., drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95 north. Drivers who wish to connect with I-10 will take I-95 south to connect with I-10.

FDOT hired Archer Western to complete this \$126 million project in fall 2022, weather and unforeseen circumstances permitting.

August means back to school! Kids walk, bike, and wait for the school bus in the early morning hours. Motorists should always obey school speed zone limits and never drive distracted. Help keep our kids safe! Learn more about Florida’s statewide initiative to reduce transportation-related crashes by visiting [TargetZeroFL.com](http://TargetZeroFL.com).
