I-95 Southbound Lane from 8th Street to 5th Street Closed Overnight Sunday and Monday

JACKSONVILLE, Fla. – Two southbound lanes of I-95 from 8th Street to south of West 5th Street, including the 8th Street on-ramp to I-95 southbound, will close overnight Sunday and Monday, Oct. 9 and 10, from 9 p.m. to 6 a.m., for thermoplastic and rumble strip installation. The work is associated with the recent repair project on the I-95 West 5th Street overpass.

For the 8th Street ramp closure, traffic will detour to either Myrtle Avenue North and Kings Road/Union Street or North Davis Street and State Street to I-95 southbound.

Drivers may see increased traffic or congestion during peak driving hours and are encouraged to seek alternate routes.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com). Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.

October is National Pedestrian Safety Month, and all roadway users share the responsibility for keeping everyone safe. Pedestrians should always use designated crosswalks and avoid distractions like using cell phones while walking. Motorists must yield to pedestrians in crosswalks and watch for pedestrians at all times. Together, we can reach the goal of ZERO pedestrian fatalities on Florida's roads.
