### **ICYMI: FDOT to Host December 16 Hybrid Public Meeting for Edgewood Avenue Roadway Improvements Project**

**JACKSONVILLE, Fla.** – The Florida Department of Transportation (FDOT) will host a public meeting inviting citizen input and questions regarding a proposed reconfiguration of the Edgewood Avenue and Plymouth Street intersection to reduce conflict points and improve traffic flow for drivers attempting to enter or exit onto U.S. 17. These proposed improvements are part of the Edgewood Avenue Roadway Improvements project (FIN 443517-1).

The hybrid public meeting will be held tomorrow, Thursday, December 16 at the FDOT Urban Office Training Center located at 2198 Edison Avenue, Jacksonville, FL 32204. Project staff will be available to answer questions and accept comments online at [nflroads.com/VPH](http://nflroads.com/VPH) or by phone at (914) 614-3221, access code 138-562-764.

Citizens may drop by anytime between 4:30 and 6:30 p.m. to learn more about the scope of the project, offer input and view conceptual renderings of the project. A formal public comment period for both virtual and in-person participants will begin at 6:30 p.m.

Give the gift of safety this holiday season by buckling up. Every trip. Every time.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
