### ICYMI: Mathews Bridge to See Detour This Weekend

**Jacksonville** – The Florida Department of Transportation (FDOT) will detour eastbound traffic crossing the Mathews Bridge Friday, August 9 at 6 p.m. until Sunday, August 11 at 6 a.m. while crews perform bridge maintenance.

There will also be a westbound single lane closure on the Mathews Bridge Friday, August 9 at 6 p.m. until Sunday, August 11 at 6 a.m. while crews perform bridge maintenance. Drivers may see increased traffic and should plan their route accordingly.

**Detour:** Drivers traveling east on the Mathews Expressway will be detoured at the Gator Bowl Boulevard exit, take a right on Gator Bowl Boulevard, take an immediate left onto East Duval Street, take a sharp right onto Commodore Point Expressway and cross the Hart Bridge. Drivers will then exit the Hart Expressway at the Atlantic Boulevard eastbound exit, continue to University Boulevard and take a left to reconnect with the Arlington Expressway. (See map below).

FDOT urges motorists to always follow the speed limit and stay vigilant while traveling through construction zones. For up-to-date information regarding construction projects and lane closures, please visit [www.nflroads.com](http://www.nflroads.com) or contact FDOT personnel at 904-831-FDOT.
