## **Interstate 95 and A1A/SR 200 outside lane closures in Nassau County For installation of overhead DMS structures**

**Nassau County** – Motorists can expect an outside travel lane closure on A1A/State Road 200 Saturday, October 20 from 8 a.m. to 3 p.m. from west of Wildlight Avenue to east of Mentoria Road near Burger King, depending on weather. There will also be an outside travel lane closure on A1A/State Road 200 Thursday, October 25 from 9 p.m. to 12 a.m. from west of Wildlight Avenue to east of Mentoria Road near Burger King, and an outside lane closure on A1A/State Road 200 eastbound, on the same night, from east of Hudson Drive to west of Semper Fi Drive, weather permitting. The lane closures are necessary for installation of the Dynamic Message Signs (DMS) support structures.

The 17-mile ITS Freeway Management project began in November 2017 with completion anticipated in spring 2019, depending on weather and unforeseen delays.

FDOT hired SICE as the contractor to complete this project for \$4.5 million.
