### **Intermittent, Overnight Detours Planned This Week and Next Week at State Road 16 and State Road 207 Entry and Exit Ramps from I-95**

**ST. AUGUSTINE, Fla.** – As part of the resurfacing improvements on I-95 from State Road 207 to International Golf Parkway, a closure of the State Road 16 and State Road 207 access and egress ramps from I-95 are necessary for shoulder milling and paving operations to be completed safely. The ramps will experience nightly, intermittent closures beginning Tuesday, May 2 through Thursday, May 4 and Tuesday, May 9 through Thursday, May 11 between the hours of 8 p.m. and 6 a.m.

Motorists are encouraged to follow posted detour signs and use caution in the area during this time.

Anderson Columbia Co. Inc. is estimated to complete the \$31 million resurfacing improvements by summer 2024, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
