Ladys Slipper Lake Road Scheduled to Close for Reconstruction Work

Interlachen, Fla. – Access to Ladys Slipper Lake Road from State Road 20 will be temporarily unavailable January 3 through late March for reconstruction work as part of the State Road 20 widening project.

Motorists will detour via Martha Drive/Martha Avenue to access State Road 20 (map below).

The detours for Francis Street and Park Avenue are expected to remain in place through late January, weather and schedule permitting.

Periodic traffic/lane shifts will be necessary on State Road 20 to allow the contractor to safely complete work. Lane closures are allowed Monday through Friday after 8:30 a.m.

This is the second of three segments planned for the widening of State Road 20 from Alachua County to Putnam County spanning a total of 12 miles.

This segment includes widening State Road 20 from County Road 315 to SW 56th Avenue from a two-lane roadway to a four-lane urban roadway with curbs, gutters, medians, bike lanes, 5-foot sidewalk on the north side and a 10-foot multi-use path on the south side of the roadway.

P & S Paving Inc. was selected to complete the \$23 million roadway construction by summer 2021, weather and unforeseen circumstances permitting.
