Lane and Ramp Closures on I-10 between Chaffee Road and I-295 Scheduled May 28 to June 2

JACKSONVILLE, Fla. – Drivers can expect nightly lane and ramp closures on I-10 from Chaffee Road to I-295 Tuesday, May 28 to Sunday, June 2 for milling and resurfacing. Nightly lane closures throughout the corridor are expected from 7 p.m. to 5 a.m. the following morning, weather and unforeseen circumstances permitting.

On Thursday, May 30, the I-10 East ramp to Chaffee Road will be closed for resurfacing with a detour in place from 8:30 p.m. to 5 a.m. To access Chaffee Road, drivers will continue east on I-10, north on Hammond Boulevard and then west on U.S. 90.

On Sunday, June 2, the Chaffee Road on-ramp to I-10 East will be closed for resurfacing with a detour in place from 8:30 p.m. to 5 a.m. To access I-10, drivers on Chaffee Road will go east on U.S. 90 and then south on Hammond Boulevard.

Anderson Columbia was awarded the \$26 million project to complete resurfacing on I-10 between Chaffee Road and I-295. This project is expected to be completed by mid-2025, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
