Left Turn Lane from Eastbound McCormick Road to Links Terrace to Close Jan. 17 for Median Reconstruction

JACKSONVILLE, Fla. – As part of the State Road 116 resurfacing project, an extended closure of the left turn lane from eastbound McCormick Road (State Road 116) to Links Terrace will begin Friday, Jan. 17 to allow for reconstruction of the median turn lane.

During the closure, drivers will continue east on McCormick Road, turn left onto Monument Road, make a U-turn at Cobblestone Parkway, take Monument Road south and turn right onto westbound McCormick Road to access Links Terrace.

Watson Civil Construction, Inc. is the contractor for the \$30 million project, which includes milling and resurfacing, base work, drainpipe replacement, curb and gutter, pedestrian safety improvements and other incidental construction along State Road 116 (Merrill Road/Ft. Caroline Road/McCormick Road/Mt. Pleasant Road/Wonderwood Drive). Completion is estimated in mid-2025, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](#) on X, at [MyFDOTNEFL](#) on Facebook or by visiting nflroads.com. Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
