Luna Street to be Detoured Overnight

JACKSONVILLE, Fla. – As part of FDOT’s project to widen I-10 from I-295 to I-95, an overnight detour of Luna Street and the I-10 west to Luna Street exit ramp will be in place Thursday, January 21 from 10 p.m. to 5 a.m., weather and unforeseen circumstances permitting.

Luna Street Detour: Luna Street will be closed between Highway Avenue and Lenox Avenue. Drivers may use Edgewood Avenue or Nelson Street as detour routes (see below in green).

I-10 West to Luna Street: Drivers will continue on I-10 west, take the Cassat Avenue exit, turn right on Cassat Avenue and turn right on Highway Avenue to access Luna Street (see below in blue).

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
